

EXCITING LIVING WORD FELLOWSHIP

FOREIGH MISSIONS NEWS

THE PHILIPPINES WITH PASTOR ALAN PELOBELLO

(Sto. Tomas, Island of Mindanao)

We had our Ministerial Alliance meeting and fellowship it was wonderful to see pastor's in one accord. It was attended by more than 20 pastors and christian workers. It was on Dec 11 2006 at One Way Outreach. Pray for my leadership and our unity.

We had a Christian campus ministry thanksgiving celebration on Dec 13. It was attended by 110 high school student. Please pray for the 2007 opening class for more students to be saturated by the word.

We had our Ministerial Alliance meeting and fellowship it was wonderful to see pastor's in one accord. I was invited by the local government to attend out of town 2 days live in seminar on Disaster Preparedness. It is a blessing to learn and apply knowledge taken from the seminar especially on Rescue and Relief Operation.

On Dec 15 we had visited the Tagum City jail wherein there are 36 Christian in mates there. The church in Tagum City with Pastor Ada sponsor a Christmas celebration. We had a lunch fellowship and gift giving to them. It was a wonderful time to preach not only to them but to all who can hear the Word. There is a cottage who needs a reroofing that will cost \$75 where they are gathered in worship. Please pray for it. We have now regular meeting with them. This is the church extension of Pastor Ada of Tagum. Your heart will be bless to see this prisoners worshipping the Lord.

We had visted the church in Panabo and we have another design for church extension that only needs \$100. Please pray for it.

The Bible Way Church through Pastor Dilday had given \$ 250 for Indigenous People for food or rice Distribution. The Chieftain had now given the final list of 113 families .With that blessing we can give 5 kilos of rice to each families. One sack of rice will cost P1,100 pesos .But the good news is the Local governement units of Sto. Tomas will give 10 sacks of Rice and the 73rd Inafantry Battallion of the Philippine Army will give 2 sacks of rice. Now the \$ 250 that the Bible Way sent us , we can able now to purchase noodles and can goods and toys for children to add to the food distribution to the less fortunate brethren. In addition to that the church members even how ppor they are they are able to give used clothing also. PRAISE GOD. The rice distribution will be this coming Dec 23 2006. It will be attended by the Municipal Mayor and Phil. Army Officials. This is amazing and work of God.

Last night we attended the Christmas Party of The 73rd Infantry Battallion of the Philippine Army as per invitation by the Officials. I have a regular monthly bible study with them.

If you would like to give an offering or become a monthly supporter for the ministries in the Philippines please send your offering to:

Please mark in the memo "Philippines". We will keep a record of your giving and mail you a receipt at the end of the year for your total giving.

MEXICO WITH BRO. ROGER TOMLINSON OF DAYSPRING OUTREACH MINISTRIES

Dear Friends,

I just wanted to drop a quick email to wish each of you a Merry Christmas and a blessed New Year. We are so thankful for each of you, our partners, who make everything that we are able to accomplish in Mexico. Last year was again a great year of ministry and we saw many lives touched with the love of Christ. As I write this we are finishing the final preparations for the last group of the year. This year we have 80 people in our Christmas family trip. Several are repeat families that have made Christmas in Mexico part of their family tradition for celebrating the holidays. This year we will be sending two groups out instead of the normal one group. We return to the mountain villages in Dr Arroyo with one team and the other team heads to the state of Vera Cruz to be in our churches there for the first time. For most of the children we will minister to, it will be the only Christmas they receive. Thank you for making it possible.

We are starting our mission training school again in January. This is the first year we will have families attend. There will be around 20 American and Mexican students in this class. Many will enter full time missions with us after the school and continue their bible school training with the 2 year video bible school we provide. We have been made a regional center for that program and are able to reproduce the videos and other materials and provide them in all of our churches that desire to train their people for the ministry. At this time we have 5 churches starting schools with the material and several others waiting to receive the videos to begin. When completed the students earn an accredited Associates of Ministry from two Schools in the USA.

To facilitate the families coming to the DMT training, we have built a new building for staff housing. That frees up some of the other buildings for the families to stay in as a family unit. The new staff building is nearly finished. We still lack about \$4000.00 from having the building ready to occupy. Please remember this need in your prayers. We hope to finish the building by the end of January. As the training begins in January, we are excited about all the lives the students will touch in the outreach period. We plan to plant at least one new church in the Dr. Arroyo area and one on the island in Oaxaca.

Early tomorrow morning the Christmas teams leave. Both teams hope to make updates on the page each day that we are near internet access. Thank you again for allowing us to represent you on the mission field. Together we are making a difference.

In His service,

Roger Tomlinson
Dayspring Outreach Ministries
